9. Nine Gallery

122 NW 8th Ave
Gallery Hours: Tuesday – Sunday, 12:00 – 5:00 pm
Exhibition: Shape Shifters
Exhibition Dates: May 3 – June 3, 2018

Description: Curated by Christine Clark, Shape Shifters is an exhibition featuring four Portland-based artists: Heidi Schwegler, Courtney Kemp, Collin Rippen, and Gina Rios. Formally trained in metalsmithing/jewelry, all have practiced professionally in the field, however, over time the work has shifted off the body into a more sculptural realm. Craftsmanship, methodical process and material sensitivity together become a part of the content – a conscious and strategic nod to their training in metalsmithing.
